

**ACTIVITY** ■ Digestive System

**The Structure of Teeth**

**Part A**

Study the four types of teeth in the drawing of the upper jaw and fill in the chart below.

Type of Tooth	Number of Teeth in Upper Jaw
Molar	
Premolar	
Canine	
Incisor	
Total	

**Part B**

Using a flashlight and a mirror, examine your own teeth. Locate your incisors, canines, premolars, and molars. In the drawing of the upper and lower jaws on page 58, map your teeth onto the diagrams. Place an "O" on the drawing of any teeth you have. Place an "X" on the drawing of any teeth that you do not have. Label the four types of teeth.
